Stay

Joe Jackson

Here darkness never quite descends
Only the toughest stars
Hang with neon friends
Over neon candy stores
Till the bitter endOh madness, waits for me someday
Raising a champagne glass
Down some dark alleyway
Down some mean magnetic street
Stopping me to say [unverified]You could live anywhere you want to
Give me one reason to stayHere monsters walk the earth again
Mermaids in black and gold
Perfume and cocaine
Rising from a teeming sea
Asking me again [unverified]
