[Mitch Miller](#)

Down by the Old Mill Stream where I first met you  
With your eyes of blue, dressed in gingham too  
It was there I knew that you loved me too  
You were sixteen, (you were sixteen)  
My village queen, (my village queen)  
By the Old Mill StreamDown by the Old Mill Stream where I first met you  
With your eyes of blue, dressed in gingham too  
It was there I knew that you loved me too  
You were sixteen, (you were sixteen)  
My village queen, (my village queen)  
By the Old Mill StreamDown by the Old (not the new but the old)  
Mill Stream (not the river but the stream)  
Where I first (not last but first) met you (not her but you)  
With your eyes (not your nose but your eyes)  
Of blue, (not green but blue)  
Dressed in ging (not gang but ging)  
Ham too (not three but two)  
It was there (not here but there) I knew (not old but new)  
That you loved (not liked but loved)  
Me too (not false but true)  
You were sixteen, my village queen .....  
Down by the Old Mill Stream
