Without You

R5

You're on my mind
Every night
And in the morning when I wake
Don't leave me lonely
Can you just hold me
Together before I break
I just can breathe
Without you without you
I'm so lonely
Without you without you
I just can't be
Without you without you
Cuz today
You are all I need
There is something
I see in your eyes
Oh and it gives me butterflies
I just can't stop thinking
You make me weaken
Don't you know I will be true
I just can breath
Without you without you
I'm so lonely
Without you without you
I just can't be
Without you without you
Cuz today
You are all I need
I'm going crazy without you [3x]
I just can breathe
Without you without you
I'm so lonely
Without you without you
I just can't be
Without you without you
Cuz today
You are all I need
