

# Run to You

## Joi Cardwell

Ohh Ahh OOH  
So many nights Ive cried  
And you have given me all that I need and.  
Cause you.So many nights Ive cried  
Cause I couldnt see  
Your eyes  
And no matter how hard I tried  
I couldnt break from my ties  
But now that I am free -well  
Ill go where my heart  
Heart takes me  
Youre all that I wanna see  
And now Im gonna  
Run to youRunning Running Run  
Run to You  
Cause I love of you and I need you  
So im gonna run gonna run  
Gonna run to youSo many nights  
I stayed  
Always counting the days  
And Ill never stray  
Cause I  
Wouldnt love you that way  
But now that I am  
But now that I am free -well  
Ill go where my heart  
Heart takes me  
Youre all that I wanna see  
And now Im gonna  
Run to youRunning Running Run  
Run to You  
Cause I love of you and I need you  
So im gonna run gonna run  
Gonna run to youDont you know I need your loving loving  
Cause I need your loveSo many nights  
I have cried cause I couldnt see  
Your eyes  
And no matter how hard I tried  
I couldnt break my ties

But now all I want from you is your sweet  
Sweet sweet loving  
And my hearts for ever true  
Here I come running to you  
Run to you.
