

# Girl In A Truck

Kevin Fowler

She was raised on a farm in South Alabama  
Yea the sweetest thing I've ever known  
Daddy's little girl, but she could run with the boys  
Gotta tell ya she could hold her own  
Pretty as peach, tough as a boot  
She's country down to the core  
Little crazy, little sweet  
ain't nothin' that can beat a little lady in a jacked- up Ford

I like a girl in a truck a big four wheel drive  
Stereo blaring playing "Country Boy can Survive"  
She's down home, home-grown  
Gets her diesel wound up and she'll be long gone  
Got her old boots on, new straw hat  
Any red-blooded country boy's gotta love that  
Some guys like a gal that's all dolled up  
Uh huh, not me, I like a girl in a truck

She's got mud on the tires and doggie in the back  
Case of cold beer on ice  
Some guys don't get it, she's a little hard-headed  
A little naughty and a little nice

I like a girl in a truck a big four wheel drive  
Stereo blaring playing "Country Boy can Survive"  
She's down home, home-grown  
Gets her diesel wound up and she'll be long gone  
Got her old boots on, new straw hat  
Any red-blooded country boy's gotta love that  
Some guys like a gal that's all dolled up  
Uh huh, not me, I like a girl in a truck

She drives by, that's all I see  
In a cloud of dust, In this Cowboy's dream

I like a girl in a truck a big four wheel drive  
Stereo blaring playing "Country Boy can Survive"  
She's down home, home-grown  
Gets her diesel wound up and she'll be long gone  
Got her old boots on, new straw hat

Any red-blooded country boy's gotta love that  
Some guys like a gal that's all dolled up  
Uh huh, not me,  
I like a girl in a truck, a big four wheel drive  
Stereo blaring playing "Country Boy can Survive"  
She's down home, home-grown  
Gets her diesel wound up and she'll be long gone  
Got her old boots on, new straw hat  
Any red-blooded country boy's gotta love that  
Some guys like a gal that's all dolled up  
Uh huh, not me, I like a girl in a truck

Not me I like a girl in a truck
