# I Been Around

## Phish

-Hey! Where've you been?
-Where I've been?
I been around a while...
I lived in town a while...
I threw it down a while...
And the town threw down on me
(still here)
(oh yeah)

I been around a while
I lived in town a while
I threw it down a while
And the town threw down -
I been around a while
I lived in town a while
I threw it down a while
And the town threw down on
Me...
