Called On

Hudson Taylor

Called On (Lyrics)Finest decisions sold to the town,
I'm called on,
Broken opinions that I'm going down,
And I'm called onMaybe I wanna get out,
Maybe I wanna get high,
Maybe I wanna goMaybe I wanna get out,
Maybe I wanna get high,
Maybe I wanna go,
Don't stop you'll never knowThe Jury's been chosen and I'm going down,
And I'm called on,
No I won't, make decisions to go to the town,
And I'm called onMaybe I wanna get out,
Maybe I wanna get high,
Maybe I wanna go,
Don't stop you'll never knowMaybe I wanna get out,
Maybe I wanna get high,
Maybe I wanna go,
Don't stop you'll never knowI'm called on,
I'm called on,
I'm called on,
And I'm called on,
And I'm called on,
I'm called on,
I'm called on,
And I'm called onMaybe I wanna get out,
Maybe I wanna get high,
Maybe I wanna go,
Don't stop you'll never knowMaybe I wanna get out,
Maybe I wanna get high,
Maybe I wanna go,
Don't stop you'll never knowAnd I'm called on,
I'm called on,
I'm called on and on and on,
And I'm called on,
I'm called on,
I'm called on,
I'm called on,
Don't stop you'll never know
