

I Never Knew

Nat King Cole, Nelson Riddle And His Orchestra

I never knew a love like this before
I never knew a love like this before For once in my life
I believed in my heart that I had it all
A love I can trust
That would never ever let me fall When suddenly my heart started feeling
Stares of love that were burning
Building walls, building walls
Closing all my doors to love I never knew a love like this before
How it's burning inside me
I never knew a love like this before
How I wish she would know this I never knew a love like this before
She's just killing me slowly
I never knew a love like this before
Oh, no, no, no, babe Closing my eyes, I just think to myself
Will this nightmare end
How many tears will I have to cry
Till her heart does change But I don't want to wait
I don't need to feel this way
I just made a big mistake, big mistake
Taking all her lies again I never knew a love like this before
How it's burning inside me
I never knew a love like this before
How I wish you would know this I never knew a love like this before
She's just killing me slowly
I never knew a love like this before
Oh, no, no, no, babe Now she's gone
'Cause I'm letting her go
Now she's gone
Now I'm all alone
Now she's gone, away I never knew a love like this before
How it's burning inside me
I never knew a love like this before
How I wish you would know this I never knew a love like this before
She's just killing me slowly
I never knew a love like this before
Oh, no, no, no, babe (I never knew a love like this)
I never knew a love like this before
How it's burning inside me
(I never knew a love like this)

I never knew a love like this before
How I wish you would know this(I never knew a love like this)
I never knew a love like this before
She's just killing me slowly
(I never knew a love like this)
I never knew a love like this before
Oh, no, no, no, babe
