

America's Boy

Broadcast

Quaker toil and Texan oil
Rockets on, we're arm in arm
NASA nude, you're manly you
Oi, American soldier
 America's boy
 American soldier
America's boy Gun me down with Yankee power
 Cockpit Tom with army charm
The eagle lands, army commands
 Oi, American soldier
 America's boy
 American soldier
America's boy Cowboy corn and bugle horn
 On son, don't post me on
You are dean and me the queen
 Oi, American soldier
 America's boy
 American soldier
America's boy, boy
 Oi, American soldier
 America's boy
 American soldier
 America's boy, America's boy
 America's boy
