

Behold a Marvel in the Darkness

Deerhoof

Look into the sky, Look into the sky, Look into the sky,
Ohh,
Low medium high, low medium high, low medium high
That old moonlight won't add up right,
That old moonlight won't add up right,
That old moonlight won't add up right,Ah,
What is this thing called love?
What is this thing called love?
What is this thing called love?
What is this thing called love?Something in my eye, something in my eye
Something in my eye eye eye, oohWhat is this thing above? What is thing thing called love?
What is this thing above? What is thing thing called love?
What is this thing called love?
What is this thing called love?
