

Somebody Like You

.38 Special

Shoulda kept my distance
Shoulda known what I be riskin
But nothin' short of holding you would ever do
 Darling
 If we could be together
 I would wait for you forever
 But how'm I gonna win
 If you never lose
 I could feel the pressure
 I could see you were something special
 I couldn't walk away from you if I'd tried
 DarlingI wanna be near you
 If only you'd feel like I do
I must've had it wrong, I should've knownSomebody like you could break my heart
 Somebody like you could tear my world apart
 Oh yeah
 Somebody like you could keep me in the dark
 Somebody like you could break my heart
 Yeah yeahI knew that I was fallin'
 I could hear your heart beat callin'
 I was hopin' you'd be mine before the night was thru
 Darling
 I could keep on loving you
 If there's a chance to somehow break thru
 I must've had it wrong
I should've knownSomebody like you could break my heart
 Somebody like you baby
 Somebody like you I'm tellin' you
 Somebody like you could break my heart
 Yeah yeah yeahGuess I new right from the start
 That you were a pretender
 But it was you who held my heart
 I got love I wanna send you
 Yeah, are you ready to surrender
Oh yeahSomebody like you could break my heart
 Somebody like you could tear my world apart
 Oh yeah
 Somebody like you could keep me in the dark
 Somebody like you baby

Somebody like you I'm tellin' you
Somebody like you could break my heart
