

# I Fall to Pieces

[Jim Reeves](#)

I fall to pieces  
Each time I see you again  
I fall to pieces  
How can I be just your friend You want me to act like weve never kissed  
You want me to forget, pretend weve never met  
And Ive tried and Ive tried but I havent yet  
You walk by and I fall to pieces I fall to pieces  
Each time someone speaks your name  
I fall to pieces  
Time only adds to the flame You tell me to find someone else to love  
Someone wholl love me, too, the way you used to do  
But each time I go out with someone new  
You walk by and I fall to pieces  
You walk by and I fall to pieces
