

# Forevermore

[Katie Herzig](#)

You could be my white night  
I could be your fairy tale  
You could come and save me  
But that is not the end I would wear a white dress  
And you will paint a sunset  
Life will be a love fest  
That's how it all begins Say, say, oh, playmate, come out and play with me  
And bring your dollies three, climb up my apple tree  
Slide down my rainbow into my cellar door  
And we'll be jolly friends forever more But the world can spin so madly  
And love can hurt so badly  
And stories end so sadly  
But this is not the end 'Cause you still have my heartache  
And I still have your sweater  
And things, they will be better  
Oh, no, but not today Say, say, oh, playmate I cannot play with you  
My dolly's got the flu, Boo, hoo, hoo, hoo, hoo, hoo  
Ain't got no rainbow, ain't got no cellar door  
But we'll be jolly friends forever more Say, say, oh, playmate, come out and play with me  
And bring your dollies three, climb up my apple tree  
Slide down my rainbow into my cellar door  
And we'll be jolly friends forever more
