Twerkoholic

B. Smyth

Hold up girl, just wind it slow
Hold up girl, just wind it slow
Hold up girl, just wind it slow
Hold up girl

Sheâ€™s a twerkoholic, sheâ€™s a twerkoholic
Sheâ€™s a twerkoholic, she needs me to get her started
My love is gonna get her faded
She said my love is so intoxicating

Ride, ride, ride my lovin
Baby ride my love and donâ€™t stop
Baby ride, ride, ride my lovin
Baby ride my love and donâ€™t stop
(Baby!)

If you stay with me Iâ€™ll do this verse
Iâ€™ll be your designated driver, girl
I wanna take you home
Straight to the bed, letâ€™s skip the pillow talk

I know that I deserve you
Baby show me what that twerk do
Baby show me what that twerk do
Show me how you work you too

Hold up girl, just wind it slow
Iâ€™mma take you where you tryna go
She gon need rehab fo sure
Cus everywhere that she go

Hold up, let me clear my throat (uhhhm)

Sheâ€™s a twerkoholic, sheâ€™s a twerkoholic
Sheâ€™s a twerkoholic, she needs me to get her started
My love is gonna get her faded
She said my love is so intoxicating

Ride, ride, ride my lovin
Baby ride my love and donâ€™t stop

Baby ride, ride, ride my lovin
Baby ride my love and donâ€™t stop
(Baby!)

Shawty turned up to the max
All I wanna do is throw stacks
Baby go ahead and look back, go on and look back at it
Girl you got, you got it
Show them other girls that you know just what you are

Hold up girl, just wind it slow
Iâ€™mma take you where you tryna go
She gon need rehab fo sure
Cus everywhere that she go

Hold up, let me clear my throat (uhhhm)

Sheâ€™s a twerkoholic (damn right), sheâ€™s a twerkoholic (oh yea)
Sheâ€™s a twerkoholic, she needs me to get her started (oh yea)
My love is gonna get her faded
She said my love is so intoxicating

Ride, ride, ride my lovin
Baby ride my love and donâ€™t stop
Baby ride, ride, ride my lovin
Baby ride my love and donâ€™t stop
(Baby!)

Iâ€¦ girl the way you stop and you go
I would do whatever, class
When I come around you lose control
(hold up, hold up, hold up, aye!)

Hold up girl, just wind it slow
Iâ€™mma take you where you tryna go
She gon need rehab fo sure
Cus everywhere that she go

Hold up, let me clear my throat (uhhhm)

Sheâ€™s a twerkoholic, sheâ€™s a twerkoholic
Sheâ€™s a twerkoholic, she needs me to get her started
My love is gonna get her faded
She said my love is so intoxicating

Ride, ride, ride my lovin

Baby ride my love and donâ€™t stop
Baby ride, ride, ride my lovin
Baby ride my love and donâ€™t stop
(Baby!)
