

# The Best Things In Life

## Half Man Half Biscuit

My Uncle Charlie is a cynical man  
And his wifes a touch skeptical, too.  
They've got one of those stickers  
In the back of their van; it says:  
We've seen the prices at the zoo.  
Well today I knocked upon their door  
And said that I was passing,  
And charlie launched a scathing attack.  
When I asked him what I'd done, he said  
"You stupid bastard! We live in a cul-de-sac!" Went to Dali's party; it was fancy dress.  
I just stuck an apple in my face.  
I saw a chap who obviously was out to impress,  
Reckoned he'd beat Gagarin into space.  
He said "Hi there boys!  
Like I'm sorry I'm late!  
But I was getting done up  
As a mobile thrash acetate!"  
Me, I got bored  
So I went home,  
Got into bed,  
And came to the conclusion...There is nothing better in life  
Than writing on the sole of your slipper with a Biro  
There is nothing better in life  
Than writing on the sole of your slipper with a Biro  
There is nothing better in life  
Than writing on the sole of your slipper with a Biro  
There is nothing better in life  
Than writing on the sole of your slipper with a Biro  
On a Saturday Night instead of going to a pub.
