# Try

## Pseudo Echo

Watch the days go by here
It's getting to won't come through
My friends left me for someone new
And I am still left just confused
____ but some things just won't come out right
I started not to try
Someone please remind me
I'll trust ___ true sometimes
In the end we'll all just feel dumb
And now I'm stuck in this
I'm so bored
Nothing's ever worth it
Watch it all go by
And I'll wait for you to smile
And I'll be gone before you wake up
