

# Two Creatures

## The Tears

This country looks like one big car park  
The winters are so very long  
And everybody wonders where the light has gone  
And shallow is moving state lines  
But Africa has winter sun  
And you and me  
We're just two creatures on the run  
And we'll go where the crowds don't stare  
And no one frowns at what we wear  
For my fate and we relocate  
We fly over the endless ocean  
We're heading for the winter sun  
'Cause you and me  
We're just two creatures on the run  
And shallow is moving state lines  
Africa has winter sunshine  
And you and me  
We're just two creatures on the run  
We'll go where the crowds don't stare  
And no one hates us for are hair  
For my fate I've paid my stake  
Oh we'll relocate  
We'll fly over the endless ocean  
We're heading for the winter sun  
'Cause you and me  
We're just two creatures on the run  
America's our supermarket  
In India we'll take some stopping  
'Cause you and me  
Are just two creatures on the run  
In Asia we could mend out breakdown  
'Cause you and me we must escape now  
'Cause you and me  
We're just two creatures on the run  
You and me  
We're just two creatures on the run  
You and me  
We're just two creatures on the run  
You and me  
We're just two creatures on the run
