The Song I Swore To Never Sing

Moneen

We'll sew these eyes
You'll peel them back
We'll frame these words
Oh dear, I just need some timeYou've earned the right
And you've earned the right to know
Why I need this time away
And you need to feel rightAnd fool yourself, surprise your friends
And raise a toast to everything we once had
And I'm still afraid to be aloneAnd you've found me out
And I need this time to breathe
And give me space, I'll give you meAnd in time we'll sort this out
And I'll keep this secret safe with me
I know you've earned the rightAnd kill yourself, surprise your friends
And raise a toast to everything we once had
We once had
