

Live To Love

RiZen

You were there
For me
When I was alone
You have been
my closest friend
When my Heart
Was Broken
You held me close
Gave me strength
To try
Again
I hear
You Say
That I'm
The Lord
Who Drives
My Fears
Away
When my life
Is overwhelmed
I lift my voice
And I will say

I live
To Love You
O Lord, I do
I live
To Love You
When my life
is overwhelmed
I lift my voice
And I will say

I live
To Love
I Live
to Love You
I live
To Love

I live
To Love You
