Nice Guys

Halo Friendlies

I've never felt this way about anyone
No not anyone
But now I'm on my way
I've never been this close around anyone
No not anyone
Who makes me feel this wayWhen you're near my heart beats a thousand miles an hour
I gotta know, I gotta know
Don't wrap me up in your candy coated flowers
'cause I gotta know, I gotta knowNice guys wait
Nice guys wait
Nice guys wait, way too longI've never felt so good anything
About everything
Boy you've got me good
I guess you always knew
And you always kept your cool
And now i'm feeling a little tiredNow my heart it bleeds a thousand times an hour
But You gotta go, you gotta go
The time I waited for you has turned from sweet to sour
To let me know, to let me knowNice guys wait
Nice guys wait
Nice guys wait, way too longYou were always what I wanted
I don't know what I want now
You should have run to get me
I gave you all the chances
Star crazy big eyed glances
You sure, you sure wasted timeNice guys wait
Nice guys wait
Nice guys wait, way too longNice guys wait
Nice guys wait
Nice guys wait, way too longYou know that nice guys wait too long
You know that nice guys wait too long
