

Empty

Seven Wiser

it lingers in my head
all the things you said about
the way things are
I'm founded that I'm wrong
Missing all the little things we shared together
now that it's all gone...It feels like it's empty all around
(It's all made up???)
(yeah it feels like it's) it feels like it's all over now I think about the day
that turned and walked away
because I am who I am
I tried to sacrifice
all the things that right
and all o'em made you see here
now that it's all gone...it's all turning back It feels like it's empty all around
(It's all made up???)
(yeah it feels like it's) it feels like it's all over now
