

I Know You Want Me

Young Buck

Yeah, poetry in motion, man, one take, daddy
This is how we do it in person, man
Ladies and gentlemen, you are now tuned into the very best
Jazze Phenzel Washingtonzel
Jazze Pha that is, for all you ****
Hey, speakin' of pimpin', that's my ****, Young BuckJust hop in my ride if you want some

**** **** **** **** **** **** **** **** **** ****

**** **** **** **** **** **** **** **** **** ****

I can see in your eyes that you want someI know you want me, shorty
I know, I know, I know, I know, I know you want me
I know, I know, I know, I know, I know you want me, shorty
I know, I know, I know, I know, I know you want me
I know, I know, I know, I know, I know you want me, shortyThese **** out here love me, I get it ****
****, old ladies wanna **** me, you should see the ****
I'm nothin' like them other thugs that **** it quick
Too many **** in the club, I need a ****We park, right up in the front, you see the six
I blew some **** out from my **** and popped the Cris
I gotta find me a model, I like 'em thick
I make her hop in my Impala, go take a tripClean up my shoe and pop my collar, I'm rich, ****
Oh what, you've never seen a baller? Well, this is it
I make that **** feel good, till you tell me, quit
And I wont tell nobody that you let me ****, psychJust hop in my ride if you want some

**** **** **** **** **** **** **** **** **** ****

**** **** **** **** **** **** **** **** **** ****

I can see in your eyes that you want someI know you want me, shorty
I know, I know, I know, I know, I know you want me
I know, I know, I know, I know, I know you want me, shorty
I know, I know, I know, I know, I know you want me
I know, I know, I know, I know, I know you want me, shortyOkay then, shorty, if you ready, then let's go
Let's take it from the dirty to the east and west coast
A couple shots of Patron, let's have a **** ****
I got a lot but baby, you can be my best ****I see you watchin' a playa, she like my dress code
Rockin' these Cartiers, drinkin' that XO
I know a place that we can go and get low
You with a gangsta, you ain't never felt like this beforeAnd if you know that **** good, then hit the floor
**** **** **** like you should, go get that dough
I make you love me if you let me, for real though
See down here, we push, Chevy's ridin' real slow
So come onJust hop in my ride if you want some

I can see in your eyes that you want some I know you want me, shorty

I know, I know, I know, I know, I know you want me

I know, I know, I know, I know, I know you want me, shorty

I know, I know, I know, I know, I know you want me

I know, I know, I know, I know, I know you want me, shorty Don't get scared, girl, show me what you got

Show me what you got, just show me what you got

I said, "Don't get scared, girl, show me what you got

Show me what you got, just show me what you got" Come on, don't get scared, girl, show me what you got

Show me what you got, just show me what you got

I said, "Don't get scared, girl, show me what you got

Just show me what you got, just show me what you got" Just hop in my ride if you want some

I can see in your eyes that you want some I know you want me, shorty

I know, I know, I know, I know, I know you want me

I know, I know, I know, I know, I know you want me, shorty

I know, I know, I know, I know, I know you want me

I know, I know, I know, I know, I know you want me, shorty You are now tuned into the very best

Jazze Phenzel [Incomprehensible]

Hey, we do it real big, man, [Incomprehensible]

Jazze Phizzle and Young Buck, Tennessee connection, man

Southern Memphis meets with Cashville

**** big, man, ****, baby Check us out, man, I mean, it feels this way

What else do you expect baby?

Oh, oh, whoa, show me what you got, show me what you got

Show me what you got, yeah

Gon' sing it, boy, you're the beautifullest thing, man

Don't let 'em stop you now
