

Congratulations

Traveling Wilburys

Congratulations for breaking my heart
Congratulations for tearing it all apart
Congratulations, you finally did succeed

Congratulations for leaving me in needThis morning I looked out my window and found
A bluebird singing, but there was no one around

At night, I lay alone in my bed

With an image of you goin' around in my headCongratulations for bringing me down
Congratulations, now I'm sorrow bound
Congratulations, you got a good deal

Congratulations, how good you must feelI guess that I must have loved you more than I ever knew
My world is empty now 'cause it don't have you

And if I had just one more chance to win your heart again

I would do things differently, but what's the use to pretend?Congratulations for making me wait
Congratulations, now it's too late

Congratulations, you came out on top

Congratulations, you never did know when to stopCongratulations
Congratulations
Congratulations
Congratulations
