Why Ya Wanna Do Me

Cowboy Mouth

Why ya wanna do me like ya do, like ya do?
Why ya wanna do me like ya do? I never done nothin' to you
Why ya wanna do me like ya do, like ya do, brother?
Why ya wanna?I'll ride around your country
I'll ride around your town
Don't tell me where you're going
'Cause anywhere you're going, buddy, I'm boundDon't talk about your passion
Don't talk about your pain
Don't talk about my station
It doesn't really help the situationWhy ya wanna do me like ya do, like ya do?
Why ya wanna do me like ya do? I never done nothin' to you
Why ya wanna do me like ya do, like ya do, brother?
Why ya wanna?I'll ride around your city
I'll ride around yo' street
Don't tell me where you're headed
'Cause anywhere you're headed, buddy, I'll meetDon't talk about your passion
Don't talk about your pride
Don't talk about my station
It doesn't really help the situationWhy ya wanna do me like ya do, like ya do?
Why ya wanna do me like ya do? I never done nothin' to you
Why ya wanna do me like ya do, like ya do, brother?
Why ya wanna do me like ya do?I'll ride around your city
I'll ride around your town
Don't tell me where you're headed
'Cause anywhere you're headed, buddy, I'm boundDon't talk about your passion
Don't talk about your pain
Don't talk about my station
It doesn't really help the situationWhy ya wanna do me like ya do, like ya do?
Why ya wanna do me like ya do? I never done nothin' to you
Why ya wanna do me like ya do, like ya do, brother?
Why ya wanna do me like ya do?Why ya wanna do me like ya do, like ya do?
Why ya wanna do me like ya do? I never nothin' to you
Why ya wanna do me like ya do, like ya do, brother?
Why ya wanna do me like ya do?
