

# Don't Stop The Music

Robyn

Yeah

This little girl didn't care what anybody said  
She got the whole world dancing to the music in her head  
They love to trash her, bad, laugh at her and call her names  
oh yeah

And now they all try to copy her isn't that a shame  
yeah, it all just made her stronger

Don't stop, stop the music

The world will keep turning if you use it  
Get up there and Don't stop, stop the music

People keep dancing

you can do it

Baby come on

Yeah baby come on

He knew that he was different

This luck he couldn't win

They didn't dig his vision

They tried to fit him in

But there's no room for losers

Until they make you change

And then you love them

Tell me how much longer

Don't stop, stop the music

The world will keep turning if you use it

Get up there and Don't stop, stop the music

People keep dancing

you can do it

Baby come on

Yeah baby come on

You got perfect vibe

you got a perfect smile

You're unlike anybody

That's your own shine

come on

If you just keep on dancing

Then you will feel no pain

Baby it's your Decision

Only you can break the chain

Yeah  
So all you gotta do is dance  
come on  
Music like love  
floating in the air  
you can reach out  
grab it everywhere  
showing you your special  
God put it on earth  
to make it all  
make it worth living  
while the worlds still spinning  
Don't stop, stop the music  
The world will keep turning if you use it  
Get up there and Don't stop, stop the music  
People keep dancing  
you can do it  
Baby come on  
Yeah baby come on
