Prince of the Starlight

Luca Turilli

Star... light... SHINE!They are coming out from the ice
from the furthest deepest caves
bringing real pain to all...
leading black death to this world...
creatures born from ancient fears
trapped until this new mystic eclipse...
this new eclipse!
Now they know the ancient legend
was not ramblings of old fools
"...when the fireball will so fall
we'll see a black night without moon..."FROM THIS GODFORSAKEN PLACE
WHERE THE ENEMY HAS NO FACE
I CALL THE MYSTIC STARLIGHT
TO ENLIGHT MY PLANET DAMNED
IN THIS REQUIEM FOR MY LAND
MY PRINCE OF THE
STARLIGHT...
STARLGHT!In the tragic daily events
there's no place for their true love
love born from seed unknown...
Arkan's last pleasure and hope...
Cosmic journey of emotions
between hearts of distant space...
of distant time...
But the dark fight has to be won
if they want to live their lives
to defend their planet Zaephyr
from the threat of deathly iceFROM THIS GODFORSAKEN PLACE
WHERE THE ENEMY HAS NO FACE
I CALL THE MYSTIC STARLIGHT
TO ENLIGHT MY PLANET DAMNED
IN THIS REQUIEM FOR MY LAND
MY PRINCE OF THE
STARLIGHT...
STARLGHT!Rex tremendae majestis
