Insomniac

Macabro

[Verse 1]Swear to god, I never thought it would end up this way.
Always figured you'd be back some day.
But it's over and I know that
It's All because of mistakes that I've made.
And I'm going crazy for trying to deal with all of this pain.
But played it off like everything's okay.
But the truth is that it isn't, so
And what I'm tryna say, I hope it's not to late for us.
I know I hurt you a thousand times, (a thousand times)
But I want you back and that's the bottom line. (the bottom line)
Without you here I think I'm gonna die.
I'm down on my knees look what you've done to me.
[Chorus]Baby I can't sleep,
Cause I'm lost with out you, can't stop thinking about you.
And it's killin me,
Girl I know I was wrong but I can't make it alone.
Baby I can't sleep,
I'm a mess without you, can't stop thinking about you.
And it's killing me,
Tell me what I gotta do I'm tired of missing you.
[Verse 2]When I'm alone I feel these walls closing in on me.
Sometimes it's even hard to breathe.
And it's different without you,
I miss everything about you, girl won't you come home.
Don't know what I was thinking when you said "I'm leaving",
Then I told you to go, and you walked right out the door.
Now I'm starting from zero I'm losing my ego.
Girl, I'm swallowing my pride, I wanna make it right.
[Chorus]Baby I can't sleep,

Cause I'm lost with out you, can't stop thinking about you.
And it's killin me,
Girl I know I was wrong but I can't make it alone.
Baby I can't sleep,
I'm a mess without you, can't stop thinking about you.
And it's killing me,
Tell me what I gotta do I'm tired of missing you.
[Bridge]I know I hurt you a thousand times,
But I want you back and that's the bottom line.

Without here I think I'm gonna die.
I'm down on my knees, look what you've done to me.
[Chorus + Ad libs]Baby I can't sleep,
Cause I'm lost with out you, can't stop thinking about you.
And it's killin me,
Girl I know I was wrong but I can't make it alone.
Baby I can't sleep,
I'm a mess without you, can't stop thinking about you.
And it's killing me,
Tell me what I gotta do I'm tired of missing you.
Baby I can't sleep,
(I miss you, I want you, without you I can't sleep).
And it's killin me,
(It's killin me baby, won't you come back to me).
Baby I can't sleep,
(I miss you, I want you, without you I can't sleep).
And it's killin me,
(It's killin me baby, won't you come back to me).
Tell me what I gotta do, I'm tired of missing you.
I miss you, I want you, without you I can't sleep.
It's killin me baby, won't you come back to me.
