

# I Don't (feat. YG)

## Mariah Carey

[Intro]

Ladies & Gentlemen! [Hook: YG]

I know you love me

You just don't trust me

You don't understand me

But you love it when I call you Ms. Carey

I know you love me

You just don't trust me

You need to understand me

But you love it when I call you Ms. Carey, yeah [Verse 1: Mariah Carey]

Somewhere in another life

We stole a moment in time

Gave you everything that you needed

I was even down to repeat it

Said you would always be mine

Feeding me nothing but lies

I was so gone, I admit it

Happy messed up for a minute [Pre-Chorus: Mariah Carey]

But I'm tired of cryin', no more tears

Pity party of the year

Cold at night cause you're not here

Leaving you was my worst fear

I was caught up, I was... blind

You kept playin' with my... mind

Told you I'm finished, gassed up the whip and...

Rear view, bye [Chorus: Mariah Carey]

'Cause when you love someone

You just don't treat them bad

You messed up all we had

Probably think I'm coming back

But I don't, I don't

'Cause boy I was buggin'

Thinkin' somehow I could trust you

See, I used to love you

But I don't, I don't

'Cause boy I was buggin'

Thinkin' somehow I could trust you

But you don't mean nothing

'Cause I don't, I don't [Verse 2]

I tried to make it work  
No matter how much it hurt  
You had to make it all about you  
Tell me why you go and do me like you do?  
I went from me and you  
To walking right out on you  
I know you want love, in your feelings  
Frontin' on me like your love was the realest[Pre-Chorus: Mariah Carey]  
And I'm tired of cryin', no more tears  
Pity party of the year  
Cold at night cause you're not here  
Leaving you was my worst fear  
I was caught up, I was... blind  
You kept playin' with my... mind  
Told you I'm finished, gassed up the whip and...  
Rear view, bye[Chorus: Mariah Carey]  
'Cause when you love someone  
You just don't treat them bad  
You messed up all we had  
Probably think I'm coming back  
But I don't, I don't  
'Cause boy I was buggin'  
Thinkin' somehow I could trust you  
See, I used to love you  
But I don't, I don't  
'Cause boy I was buggin'  
Thinkin' somehow I could trust you  
But you don't mean nothing  
'Cause I don't, I don't[Hook: YG]  
I know you love me  
You just don't trust me  
You don't understand me  
But you love it when I call you Ms. Carey  
I know you love me  
You just don't trust me  
You need to understand me  
But you love it when I call you Ms. Carey, yeah[Verse 3: YG]  
Hold up, hold up, hold up, hold up  
Hold up, I just got you ring, for what?  
I put you in the game, now it's game over  
Every time you went to the Louis store you got chauffeured  
Hold up, how you gon' leave that?  
Hold up, give me my ring back  
Never mind, you can keep that  
'Cause every time you look at your ring, me, you gon' dream that[Hook: YG]

I know you love me  
You just don't trust me  
You don't understand me  
But you love it when I call you Ms. Carey  
I know you love me  
You just don't trust me  
You need to understand me  
But you love it when I call you Ms. Carey, yeah[Chorus: Mariah Carey]  
'Cause when you love someone  
You just don't treat them bad  
You messed up all we had  
Probably think I'm coming back  
But I don't, I don't  
'Cause boy I was buggin'  
Thinkin' somehow I could trust you  
See, I used to love you  
But I don't, I don't  
'Cause boy I was buggin'  
Thinkin' somehow I could trust you  
But you don't mean nothing  
'Cause I don't, I don't
