Chance

Arthur Walwin

Well I could love you with all of my heart if you just gave me the chance to.
I'd rather never have to see you again, than play along and pretend to be just friends.But if my chance don't ever come,
Take my heart, take my heart.
This damn sad valentine would break in two.
It beats for you and only you.I'd open doors and shield your hair from the rain.
I'd hold you after the worst day.
But I'm just a friend I'm not the one that you want, 'cause I'm so awkward and so nervous around you.But if my chance don't ever come,
Take my heart, take my heart.
This damn sad valentine would break in two.
It beats for you and only you.I wish that love would make you blind,
'Cause I can't change - I wish my love was all it takes.
Crack my bones and fill my lungs - just don't break this heart.
I can't take it when we're laying there for hours on end and we get so close.
Your head's on my shoulder; but you'd rather fall asleep than fall in love.So if my chance don't ever come,
Take my heart, take my heart.
This damn sad valentine would break in two.
It beats for you and only you.Well I could love you with all of my heart.
