

# Simple Survival

## Mushroomhead

The shadow within me  
The sorrow at my feet  
Push the colors from the make up  
Drop your feelings at the door  
Has anybody here had enough  
Walking in on so much more  
Gonna make you give up  
I wanna see you get up  
I said your the only one  
Whats your name

Who do you love  
I wanna hate you kill you  
Treat you like I've had enough  
Keep breaking the shame  
Take away all i wanna say  
Regretting the day  
You dont believe in me  
Ill show you just what you wanna see  
The end in me  
Gonna lead the revival  
No simple Survival  
For me
