

Led Clones

Dogpound

The time has come to talk about tomorrow
You should be my careful one tomorrow
I heard them on the radio, I saw them on the video
I don't think I can take much moreLed clones
Led clonesYou've stolen from the houses of the holy
You've rolled into the kingdom of the saint
I heard you on the radio, I saw those crummy videos
I don't think I can take no moreLed clones
Led clonesGot to get it on
From the still of the night
But you're gettin' it wrong
You know it ain't rightOoh yeah
Ooh yeahI saw them on the radio, I heard them on the videos
I don't think I can take much moreLed clones
Led clones
Led clones
Led clonesLed clones
Led clones
Led clones
Led clonesLed clones
Led clones
Led clones
Led clonesLed clones
Led clones
Led clones
Led clones
