Voodoo Baby

Love And Rockets

Turn it upside down, turn it into something new
Light up that light baby and use your imagination
And if you give it hell, it will turn right back on you
Come On, Come On, and use your imagination - Oh yeahSome things are dark, some things are rare
Light up that cigar, baby and use your imagination (Light up)
Some things are dark, some things are rare
Light up that cigar, baby and use your imagination
(Oh, yeah)Light upThis place is no place for dreams or revelations
Look what you can do when you use your imagination
Feel close to an angel, feel close to a crown of thorns
Light up that cigar, baby and use your imaginationLight up, light up, light upTurn it upside down, turn to something new
Come on, Come On, Come On, and use your imagination
- Oh yeahLight upOoh - Light up, Ooh - yeah, yeah, Light up (3x)
Ooh, Ooh - yeah, yeah
