

# Don't Let Us Get Sick

**John McDermott & Jason Fowler**

Don't let us get sick,  
Don't let us get old,  
Don't let us get stupid, all right?  
Just make us be brave  
Make us play nice  
Let us be together tonight.

The sky was on fire as I walked to the mill  
To take up the slack in the line.  
I thought of my friends and the troubles they've had  
To keep me from thinking of mine.

Don't let get sick,  
Don't let us get old,  
Don't let us get stupid, all right?  
Just make us be brave  
Make us play nice  
Let us be together tonight.

The moon has a face  
and it smiles on the lake,  
it causes the ripples in time.  
I'm lucky to be here  
with someone I like  
Maketh my spirit to shine.

Don't let us get sick,  
Don't let us get old,  
Don't let us get stupid, all right?  
Just make us be brave,  
and make us play nice.  
Let us be together tonight.

Just make us be brave  
make us play nice,  
let us be together tonight.
