Sympathy

David Charvet

I can tell you what you wanna hear
So you don't have to see
That I'm hardly breathing
I can't hide, any longer
I am feeling stronger, finallyDon't wanna hear you say
That it's too late
To say that you're sorry
Now, I set you freeSympathy I'm not after
All I need is the love you promised me
Can't you see what I'm after
If I can't have your heart
Then I don't want your sympathyTime goes by, so will I
If you don't close your eyes
To the way you're seeing me
I'm alright, still alive
A little hole inside
Oh my heart is healingDon't wanna hear you say
That it's too late
To say that you're sorry
Now, I set you freeSympathy I'm not after
All I need is the love you promised me
Can't you see what I'm after
If I can't have your heart
Then I don't want your sympathyBut these few words I say to you
Can only mend my lonely heart
And when you're ready I will fallSympathy I'm not after
All I need is the love you promised me
Can't you see what I'm after
If I can't have your heart
Then I don't want your sympathySympathy I'm not after
All I need is the love you promised me
Can't you see what I'm after
If I can't have your heart
Then I don't want your sympathyCan't you see it's your love I'm looking for
It's your love that I need
Can't you see it's your love I'm looking for
It's your love that I need
Can't you see it's your love I'm looking for

It's your love that I need
