

# Kick It In

## Simple Minds

Love gives me poetry  
Stays up all night  
And puts a curse on me  
Oh, anything you want Turn around and I'll take you there  
I know it's going to be  
Take your shackles off o' me  
This city's gone, I'm gone over there Kick it in, kick it in  
Build it up  
And burn it down again  
Kick it in, kick it in Burn down to the ground  
Kick it in, kick it in  
Tell me about this place you've been  
I don't want it there's a fever going around Take a walk down town  
See what's going on  
If you want to find a hidden key  
There's nothing here on me Any city, anywhere  
Any color I don't care  
You belong to me  
And that's the way it's gonna be Kick it in, kick it in  
Yeah kick it in, kick it in Raise it up and let it live again  
Feel your body shake and take off  
You can lie but keep it in  
Keep me down here wondering What's it going to be  
Come on in  
I like the shape you're in  
You keep me wondering, wondering, wondering Eyes upon you black and brown  
Spread your love all over town  
Give me fire, body heat  
Say, hello to me I want to go anywhere  
Any color I don't care  
Don't believe in all you see  
And don't get caught Kick it in, kick it in  
Tell me about this love you've been  
Kick it in, kick it in  
Turn this life around Kick it in, kick it in  
Shake the ghosts from deep within  
Close the door down  
Don't let the demons in Yeah  
I only want to be your friend

Put your hands in my hand  
And take off with me Listen baby, I'm going home  
I'm going home  
I'm going home  
Come on walk with me 'Cause I know what I see  
Kick it in, kick it in, kick it in  
Tell me 'bout the place you're in  
I've got a new gold dream I'm moving on, I'm moving on  
You're moving on, you're moving on, yeah  
You're moving on, yeah  
Kick it in, oh kick it in
