

You Look At You

Rollins Band

Killin' myself again
Livin' in a dream again
Losin' to myself again
Livin' on a lie again I've gotta get to somethin' but I know I don't know how
I've got to do something and I've got to do it now
Always keepin' busy takin' other people's change
I know I'm not afraid to push it but I'm too afraid to ask it
Forget my name again
Back to myself again
Parted my friends again
You look at you
Hate my guts again
You look at you Lookin' toward myself and all the people that I see
Wonder what they're seein' when they're lookin' back at me
I tell you that I hate you but you know that's just a lie
You know that I don't mean it I'm the one that I despise
Losin' my grip again Start to slip again
Stand in line again
Look at my mind again
You look at you
