Jesus In A Camper Van

Robbie Williams

Ooh, we've got a live one, featherweight icon
Heroes let him down so he sleeps with the light on
And there's nothin' left to do but kneel down and pray
Sail away with Caesar if you're a non believer
Everybody get high if you're a diamond geezer
It's the devil that needs ya so go out and play
Blame yourself it's easier
There's no need to trouble her
You trouble her
Jesus in a camper van He says
"Sorry to leave you but I've done all I can"
I suppose even the son of God gets it hard sometimes
Especially when He goes round saying I am the way
And now it's four in the mornin' yes yes y'all in
No one can shoot but everybody's scoring
Trust me it's boring get down and pray
They told you not to meddle with the bass and the treble
There's dust on your needle and you think that you're a rebel
You're Evel Knievel so get down and pray
Blame yourself it's easier
There's no need to trouble her
You trouble her
Jesus in a camper van He says
"Sorry to leave you but I've done all I can"
I suppose even the son of God gets it hard sometimes
Especially when He goes round saying I am the way
I am the way, I am the way, I am the way
I am, I am, I am, I am, I am, I am the way
Jesus in a camper van He says
"Sorry to leave you but I've done all I can"
I suppose even the son of God gets it hard sometimes
Jesus in a camper van He says
"Sorry to leave you but I've done all I can"
I suppose even the son of God gets it hard sometimes
Blame yourself it's easier
There's no need to trouble her
Blame yourself it's easier
There's no need to trouble her
Jesus in a camper van He says

"Sorry to leave you but I've done all I can"
I suppose even the son of God gets it hard sometimes
Jesus in a camper van He says
"Sorry to leave you but I've done all I can"
I suppose even the son of God gets it hard sometimes
