

# You Still Own Me

## Emerson Drive

I put a 'For Sale' sign on the front of my truck  
Said call anytime 'cause I'm always up  
Make an offer  
One that I won't refuse I bought a one way ticket on a westbound plane  
Four hours later I was wearing shades  
In California  
Just hanging loose I didn't pack one memory  
And even though I'm free I can go where I wanna go  
Do what I wanna do  
Be who I wanna be  
But baby, you still own me Say what I wanna say  
Hear what I wanna hear  
Dream what I wanna dream  
But baby, you still own me I was up all night 'cause I couldn't sleep  
Instead of staring at the ceiling, I hit the beach  
Took a long walk  
It didn't help me much I sat down in the sand with a handful of shells  
Kicked off my shoes while me myself  
And I watched  
The sun come up Looking out across the sea  
Well, it's finally dawned on me I can go where I wanna go  
Do what I wanna do  
Be who I wanna be  
But baby, you still own me Say what I wanna say  
Hear what I wanna hear  
Dream what I wanna dream  
But baby, you still own me Maybe I'm not in your arms  
(You own me)  
But you still own my heart I can go where I wanna go  
Do what I wanna do  
Be who I wanna be  
But baby, you still own me Say what I wanna say  
Hear what I wanna hear  
Dream what I wanna dream  
But baby, you still own me You still own me, yeah  
You still own me
