

# F.E.A.R. Transmission 1: Stay Close

## Black Veil Brides

We Expect a battle for humanity is about to begin,  
Within each uprising, a vague sense of safety will ignite you in an unseen  
Shadow without a slither of a doubt, towards those who protect and defend  
You.

Let the thoughts slip away, and remain calm.  
Stay close to F.E.A.R.  
Only we can protect.
