Stay

The Sam Willows

Wouldnâ€™t you stay for a little while
Feel the words I donâ€™t know how to say
Wouldnâ€™t you dance for a little while
Spin me round till the light of day
Light of day

Is my baby coming home tomorrow?
Will it take away the sorrow
Maybe its time I stay

Wouldnâ€™t you try to understand?
I feel the warmth of your kisses on my hand
Wouldnâ€™t you let me be your wife?
Let our ruins come to life
Come to life

So baby Iâ€™m coming home tomorrow
Will it take away the sorrow
Maybe its time I stay
Iâ€™m only coming home tomorrow
Will it take away the sorrow
Maybe its time I stay

Wouldnâ€™t you stay for a little while
Feel the words I donâ€™t know how to say
