Curiosity

Camel

Sail, sail away
There you go
Why not let me come along
I won't tell no oneNow our bodies have entwined
Touch me with your mind
Your dreams are a mystery
Please share them with meCuriosity is killing me
I just got to know
Curiosity is killing me
I just got to know
Where, tell me where
Where are you sailingCuriosity is killing me
I just got to know
Curiosity is killing me
I just got to know
Where, tell me where
Where are you sailing
