## [unknown]

"Redneck Crazy" Gonna drive like hell through your neighbourhood

Park this Silverado on your front lawn

Crank up a little Hank, sit on the hood and drink

I'm about to get my redneck crazy off on I'm gonna aim my headlights into your bedroom windows

Throw empty beer cans at both of your shadows

I didn't come here to start a fight, but I'm up for anything tonight

You know you broke the wrong heart baby, and drove me redneck crazy Wish I knew how long it's been going on

How long you've been getting some on the side

No, he can't amount to much by the look of that little truck

Well he wont be getting any sleep tonight I'm gonna aim my headlights into your bedroom windows

Throw empty beer cans at both of your shadows

I didn't come here to start a fight, but I'm up for anything tonight

You know you broke the wrong heart baby, and drove me redneck crazy

Redneck crazy Did you think I'd wish you both the best, endless love and happiness

You know that's just not the kind of man I am

I'm the kind that shows up at your house at 3am I'm gonna aim my headlights into your bedroom windows

Throw empty beer cans at both of your shadows

I didn't come here to start a fight, but I'm up for anything tonight

You gone and broke the wrong heart baby, and drove me redneck crazy

You drove me redneck crazy, oh
