Love Me Like You Used to

[Class Actress](#)

Didn't know how far that I could take it
But its getting worse with every break up
This is crazy I never wanted to do
Somehow I thought it'd always work out
You'd do the right thing,
I'd say the wrong thing
But somehow you'd always forgive meLove me, love me like you X4Love me love me like you used to baby
Love me love me like you used to
C'mon and
Love me love me like you used to baby
Love me love me like you used to
Oooo oooooooBaby I'd take the blame
Well take the blameSomehow I thought it'd always work out
You'd do the right thing
I'd say the wrong thing
But somehow youd always forgive meLove me, love me like you X4Love me love me like you used to baby
Love me love me like you used to
C'mon and
Love me love me like you used to baby
Love me love me like you used to
Oooo ooooooooLove me love me like you used to baby
Love me love me like you used to
C'mon and
Love me love like you used to baby
Love me love me like you used to
Ooooooo ooooooooSomehow we could find a way
To save what is left X3SomehowLove me love me like you used to baby
Love me love me like you used to
C'mon and
Love me love like you used to baby
Love me love me like you used to
Oooo ooooooo
