This Masquerade

Leon Russell

Are we really happy with this lonely game we play,
Looking for the right words to say?
Searching but not finding -- understanding anyway,
We're lost in this masquerade.Both afraid to say we're just too far away
From being close together from the start.
We try to talk it over, but the words got in the way
We're lost inside this lonely game we play.Thoughts of leaving disappear each time I see your eyes,
And no matter how hard I try
To understand the reason why we carry on this way
We're lost in this masquerade.We try to talk it over, but the words got in the way
We're lost inside this lonely game we play.
