Getaway

Texas

Just stop you know you can't deny
Just stop you know there's no reply
I've had it all don't say that
Just stop and tell me it's good bye
Don't you understand
What I'm saying
We never gave ourselves the chanceYou know I've got to get away
Run, leave you behind
The world goes slowly
So sad to leave this time
The ring you were holding
Has hit the floor
And I can't live in this house with you no moreThis time you know you'll hesitate
Deep down you hope it's not too late
You said it all except good bye
I think it's time that we should try
Don't you understand
What I'm saying
We never gave ourselves the chanceYou know I've got to get away
Run, leave you behind
The world goes slowly
So sad to leave this time
The ring you were holding
Has hit the floor
And I can't live in this house with you no moreBecause I know
I still loved you
And I can't stay another dayGet away
You know I've got to get away
Get away
You know I've got to get awayYou know I've got to get away
Run, lea
