If We Ever (feat. Makeba)

[David Guetta](david-guetta)

I've been fragile for a long time
A big old hole inside my heart
And I was searching through the valley
Stumbled on love in the darkWas afraid to try but afraid to never know
What it feels like to be loved
Had a hill to climb
But the places we could go
Oh, I gotta knowSo if we ever, fell in love
Would the wind blow, would the pain go, oh
So if we ever, fell in love
Oh, oh, ohI was empty, it was all gone
The birds would sing but made no sound
Till I met you, found I was all wrong
You picked me up right off the groundWas afraid to try, and afraid I'd fall again
Crashing down from the sky, you know
Had a hill to climb, but with you my heart wont mend
That's the one thing, we all wanna knowSo if we ever, fell in love
Would the wind blow, would the pain go, oh
So if we ever fell in love
Oh, oh, ohI just wanna know, I just wanna know
Tell me tell me so, baby I just wanna knowI just wanna know, I just wanna know
Tell me tell me so, baby I just wanna knowI just wanna know, I just wanna know
Tell me tell me so, baby I just wanna knowI just wanna know, I just wanna know
Tell me tell me so, baby I just wanna knowSo if we ever fell in love
Would the wind blow, would the pain go, oh
(Yeah) So if we ever fell in love
Oh, oh, ohSo if we ever fell in love
Oh, I wanna know what it feels like to be loved
