

# Fix a Heart

## Demi Lovato Official

It's probably what's best for you  
I only want the best for you  
and if I'm not the best  
then you're stuck  
I tried to sever ties  
and I ended up with wounds to bind  
it's like you're pouring salt in my cuts  
And I just ran out of band aids  
I don't even know where to start  
cause you can bandage the damage  
you never really can fix a heart  
Even now I know what's wrong  
how could I be so sure  
if you never say what you feel, feel  
I must have held you hand so tight  
you didn't have the will to fight  
I guess you needed more time to heal  
Baby I just ran out of band aids  
I don't even know where to start  
cause you can bandage the damage  
you never really can fix a heart  
ohhh ohhh...  
ohhh ooooh  
  
oooh ooooh yeah  
You must be a miracle worker  
swearing up and down you can fix  
what's been broken yeah  
please don't get my hopes up no no  
baby tell me how could you be so cruel  
It's like you're pouring salt on my cuts  
Baby I just ran out of band aids  
I don't even know where to start  
cause you can bandage the damage  
you never really can fix a heart  
Baby I just ran out of band aids  
I don't even know where to start  
cause you can bandage the damage  
you never really can fix a heart

oh no no no  
you never really can fix a heart  
oh no no no  
you never really can fix a heart  
oh hoo ohhh  
oh hoo yeah ohhh ohh ho oh oh oh  
You never really can fix my heart
