Heart Over Mind

Pam Tillis

I love you so much that I can't leave you
Even though my mind tells me I should
Then you make me think you really want me
And all my thoughts of leaving do no goodYou've got me heart over mind, worried all the time
Knowing you will always be the same
You keep hurting me I know, but I just can't let you go
'Cause my heart won't let my love for you changeFriends tell me they see you out with others
And in my heart I try hard to forget
But you come home and tell me you still love me
And I still hope there's some chance for us yetYou've got me heart over mind, worried all the time
Knowing you will always be the same
You keep hurting me I know, but I just can't let you go
'Cause my heart won't let my love for you changeYou've got me heart over mind, worried all the time
Knowing you will always be the same
You keep hurting me I know, but I just can't let you go
'Cause my heart won't let my love for you changeYou've got me heart over mind
Heart over mind
Heart over mind
