

Because of You

Bobby Vinton

(All because of you, doo doo
All because of you, doo doo)Because of you, there's a song in my heart
(All because of you)
Because of you, my romance had its start
(All because of you)
Because of you, the sun will shine
The moon and stars will say you're mine
Forever and never to part
(And it's all because of you)I only live for your love and your kiss
(All because of you)
It's paradise to be near you like this
(It's paradise)
Because of you, my life is now worthwhile
And I can smile
Because of you
(All because of you, doo doo
All because of you)(All because of you)
(It's paradise)
Oh, because of you, my life is now worthwhile
And I can smile
Because of you
(All because of you, doo doo
All because of you)
