Eddie Vedder

Local H

Quarters on the eyes

Rejected sacrifice

Cauterized at best

Failing your litmus test

I know it's dumb to say

It's turnabout's fair play

Always knew that you

Were suffering a fool

You go ahead

As good as dead

You go ahead

As good as dead

You go ahead

As good as dead

As good as dead

You go ahead

Okay I understand

But I don't wanna be your friend

I don't need another friend

I've got too many friends

If I was Eddie Vedder

Would you like me any better?

That's it, I quit, I don't

Give a shit

You go ahead

As good as dead

Coming to a head

You're as good as dead You're as good as dead You're as good as dead That's it, I quit, I don't Give a shit

You go ahead

As good as dead

Coming to a head

You're as good as dead
